

The African Movie Festival in Manitoba
320i – 309 McDermott Avenue
R3A 1T3 MB
Winnipeg, Canada

Date: July 23, 2025

Dear Zippy Kimundu,

We are delighted to inform you that your film, **WIDOW CHAMPION**, has been officially selected for the **2025 African Movie Festival in Manitoba (AM-FM 2025)**, which will take place from **September 15 to 21, 2025** at the **Winnipeg Art Gallery – Qaumajuq**, located at **300 Memorial Boulevard, Winnipeg, MB R3C 1V1, Canada**.

As an official selection, your film will also be entered into the **ZULU Awards**, AM-FM's celebration of excellence in global Black cinema. We encourage you to promote your selection by using the phrase **"Official Selection – AM-FM 2025"** alongside the official festival laurel. The laurel, along with your screening date and time, promotional assets, and festival details, will be shared with you in a follow-up email shortly.

To complete your submission, we ask that you send us a **high-resolution H.264 downloadable file** of your film via **WeTransfer, Google Drive, or Dropbox** to **info@am-fm.ca**. Please include login credentials if needed. We can also provide an FTP account if one is preferred.

In support of bilingual accessibility, we require the following for subtitles:

- If your film is in English, we require French subtitles (.srt or burned-in).
- If your film is in French, we require English subtitles (.srt or burned-in).
- If your film is in another language, both English and French subtitles are required. Subtitles can be provided either as separate .srt files or burned directly into the film (one line per language if burned-in).

You are invited to attend the festival in person. AM-FM will cover the cost of **hotel accommodation, meals, and local airport transfers**. **Airfare will remain the responsibility of the filmmakers**. If you require a visa invitation letter, kindly reach out to us as soon as possible so we can assist with documentation.

Filmmakers who are unable to attend the festival in person are invited to participate virtually in a post-screening interview. A Zoom or Teams link will be sent closer to the screening.

Please reply to confirm that you have received this letter, and include your download link, subtitle details, and indicate if you require a visa letter (for international films), or will be attending the festival in person.

We are thrilled to welcome your film to AM-FM 2025 and thank you again for your creative contribution. We look forward to celebrating your work with our community this September.

Warm regards,

Ben Akoh
